\$12 registration at the door (or after Sept. 9)

Are you aware of “The Model Water Efficient Landscape Ordinance” (MWELo), AB 1881—the new law for water efficiency for landscaping? If you’re a landscaper, designer, or nursery professional wanting to get the latest on the law, water efficient irrigation, and knowledge of the best waterwise plants, you can’t afford to miss this ½ day workshop. We’ll have speakers and displays from UC Davis, Normac, Regional Water Authority, Shades of Green Horticulture, and High Ranch Nursery. Lunch is included with your registration.
